

TLT STRATEGIC SOLUTIONS, LLC

SYSTEMS ENGINEERING & OPERATIONAL INTEGRATION

CAPABILITY STATEMENT

COMPANY OVERVIEW

TLT Strategic Solutions, LLC is an elite management consulting firm headquartered in Fort Worth, Texas, specializing in systems engineering, operational redesign, and strategic integration for organizations operating in regulated, risk-aware, and mission-critical environments. Founded by a senior technology executive with 27 years of combined technical expertise, including 15 years in dedicated leadership roles—TLT Strategic Solutions delivers implementation-ready frameworks that align people, processes, and technology to rescue struggling programs, improve accountability, and drive operational resilience.

CORE CAPABILITIES

- Systems Engineering & Integration (SEIT)**
Aligning complex technical requirements, managing system-of-systems integration, and establishing robust engineering baselines for high-stakes programs.
- Operational Redesign & Process Optimization**
Eliminating inefficiencies, streamlining technical workflows, and modernizing cross-functional operating models.
- Program & Project Management (PMO)**
Delivering structured governance, resource alignment, and schedule execution for complex engineering initiatives.
- Lab Operations & Product Safety Compliance**
Directing hardware/software lab environments and ensuring strict compliance with global standards (EMC, UL, MRI safety).
- Clinical Engineering & Governance**
Translating user needs into technical specifications while navigating complex, audit-heavy life-cycle environments.

PAST PERFORMANCE & LEADERSHIP HISTORY

- Lockheed Martin**
Directed multidisciplinary engineering teams in mission-critical defense environments. Spearheaded systems engineering, software engineering, cross-functional alignment, and program execution across high-consequence programs.
- Abbott**
Orchestrated cross-functional strategy and operational modernization across SEIT, PMO, Lab Operations, Clinical Engineering, and international product safety compliance sectors.

CORPORATE DIFFERENTIATORS

- Prime Contractor DNA**
27+ years of hands-on leadership split between Lockheed Martin and Abbott.
- Fractional Executive Model**
15-hour-per-month strategic framework to steer critical milestones without organizational overhead.
- Assessment-Led**
Intensive diagnostic audit and system mapping targeting root causes.
- Implementation-Ready**
Concrete, technology-agnostic solutions tailored for immediate execution.
